MIRA Updates.

INECC and **Environics Trust** are organising a panel discussion on **Accountability and Commons for Climate Change** which will be held on **Saturday, September 17th** from **10:45 pm - 12:15 pm IST** at the Climate Proofing South Asia: Technology Solutions virtual conclave.

The panelists for the session include:

Sreedhar Ramamurthi, Environics Trust

Rakshita Swamy, SAFAR

Farooq Tariq, Pakistan Rabita Committee

Keshab Raj Khadka, All Nepal Peasants Union

The session will discuss how accountability of various actors and stakeholders in the context of runaway climate change must be addressed from various aspects of perception and management of commons. While the Global Climate

itself is the most crucial global commons under threat, the issue unfolds into various aspects of specific commons.
