| Issue 56

Coalition Updates.

- The Government of Goa recently notified the policy for regulating iron ore dump handling, allowing the Directorate of Mines and Geology (DMG) to auction all existing dumps created from mining activities as on date. To know more about what does this new policy provide for, read Goenchi Mati's blog [here](#).
- To commemorate the 75th Anniversary of the Universal Declaration of Human Rights, the Mine Labour Protection Campaign (MLPC) along with other key stakeholders, will be organising a one day consultation on October 18, 2023 in Jaipur, Rajasthan. The consultation aims to critically examine business and human rights in Rajasthan's mining industry. Please find the
