Coalition Updates.

- Prithvi Trust inaugurated a mushroom training centre in Panna.

The training centre will extend support to women from the mining affected communities to get trained in mushroom cultivation and become economically self-reliant. This is also expected to abate migration in the region.

- Common Cause India deep dives into the strengths, weaknesses and accountability of 'The Digital Personal Data Protection (DPDP) Act 2023', in a special issue of their journal. Here is the [link](#) to the journal.
