Coalition Updates.

- The India Social Forum concluded on the 4th of December, that brought together civil society organisations, community representatives, intellectuals, across India to reflect towards building a democratic and fairer world. The event witnessed a number of parallel and plenary sessions, cultural and solidarity events and also the culmination of various state social forum processes. This gathering was a crucial stepping stone towards the upcoming World Social Forum , scheduled next year in February at Kathmandu, Nepal. For further information on WSF, click [here](#).
